Stephanie -

Sorry. As I noted earlier, we were not planning to have any dedicated time for haze issues at this time because all of our legal and technical folks are focused on the BART FIP proposal.

Hi Kristi – We are looking forward to meeting next week. With all the shuffling of the schedule I wanted to confirm what the plans were for the non-NSR discussions. Are we doing those on Monday, November 28 or did we want to schedule some time on Tuesday, November 29? We are in town on Tuesday and could meet on non-NSR matters in the morning if that works and is desirable. Please let me know. Have a happy Thanksgiving! Stephanie
